

VK LOGIC

PROJECT MANAGER

An exciting opportunity to join the VK Logic team as a Project Manager awaits the right candidate. The role will be responsible for the delivery of projects, with involvement required across all stages of the project lifecycle. The level of involvement required for managing and executing projects will vary from project to project. This position will suit an organised person with a great eye for detail and plenty of team spirit.

Responsibilities:

- Lead and manage projects through the full project lifecycle - Planning, Executing, monitoring and closing.
- Define and manage the scope, schedule, cost, variations and risk of projects to align with business values and standards.
- Plan work in a way which ensures that key milestones and completion dates are achieved.
- Prepare and submit all documentation relating to project stage and progress.
- Involvement in all aspects of Project Integration Management including; coordinating people, processes, procurement and overall delivery of projects.

To be successful for this position you will have the following skills and attributes:

- Formal qualifications in Project Management or an Engineering discipline or related field (Degree, Diploma or Certificate) or a Trade Certificate or equivalent relevant industry experience.
- Results-driven and incredibly proactive with a passion for precision and quality. Skilled at ensuring projects are delivered to the correct specifications and required quality/industry standards.
- Proficient with computers. Intermediate skills or above with applications including Microsoft Office and Project and ERP Systems.
- Excellent communication skills, both written and verbal
- Skilled relationship builder who can engage and lead others.
- A strong commitment to WHS.
- Current Australian driver licence.
- Compliance to Covid health requirements, including vaccination and testing as deemed necessary.

On offer is the opportunity to advance your career in a dynamic company that is locally owned and operated, excellent remuneration package and a great team environment that rewards you for your efforts.
